2. **Public and Private Utilities.** Easements for installation and maintenance of public and private utilities and drainage facilities are reserved as shown on the Site Plan and as otherwise shown by the public records. A blanket, perpetual and non-exclusive easement in, upon, over, under, across and through the Common Elements, including over, under and across the Private Elements and Limited Common Elements, for the purpose of the installation, maintenance, repair, service and replacement of all sewer, water, power, telephone, cable television systems pipes, lines, mains, conduits, poles or transformers as well as any and all other equipment or machinery necessary or incidental to the proper functioning of any utilities systems servicing the Townhome Property is hereby reserved, which easement shall be for the benefit of the Declarant, the Association and any governmental agency, utility company or other entity (public or private) which requires same for the purpose of furnishing one or more of the foregoing services.
3. **Declarant.** During the Development Period, an easement is reserved to Declarant in, upon, over, under, across and through the Common Elements, including the Private Elements and the Limited Common Elements, in order to maintain such facilities and perform such operations as in the sole opinion of the Declarant may be reasonably required, convenient or incidental to the construction and maintenance of the Units, the Private Elements, the Limited Common Elements and the Common Elements, including, without limitation, a business or sales office, storage area, construction yards and signs.
4. **Encroachment.** If any portions of the Common Elements, including the Limited Common Elements, shall actually encroach upon any Unit or its Private Elements, or if any Unit or its Private Elements shall actually encroach upon any portions of the Common Elements as shown on the Site Plan due to engineering errors, errors in original construction, settlement or shifting of a Building or any similar cause, there shall be deemed to be mutual easements in favor of the respective Unit Owners involved to the extent of such encroachments so long as same exists; provided, however, in no event shall an easement for encroachment be created in favor of a Unit Owner, if said encroachment occurred due to the willful act of said Unit Owner.
5. **Association.** A blanket, perpetual and non-exclusive easement of unobstructed ingress and egress in, upon, over, across and through the Common Elements, including the Private Elements and the Limited Common Elements, is hereby reserved to the Association, the Board, Managing Agent or their respective agents or employees for the purpose of maintaining, repairing, and replacing the Common Elements, the Limited Common Elements or any equipment, facilities or fixtures affecting or servicing or the Common Elements as well as to remedy any violations of the provisions of this Horizontal Property Declaration, the By-Laws or any Rule and Regulation of the Association; provided that requests for entry are made in advance and that any such entry is at a time reasonably convenient to the Unit Owner. In the case of an emergency or the Unit Owner's uncooperative or untimely response to such request, the right of entry shall be immediate, whether the Unit Owner is present at the time or not.
6. **Federal, State and Local Entity.** An easement is hereby established for the benefit of any applicable federal, state or local entity over all portions of the Townhome Property for the setting, removing and reading of water meters; for maintaining and replacing water, sewage and drainage facilities; for police protection, firefighting and garbage collection; and the rendering of such other services as are appropriate and necessary for the use and enjoyment of the Townhome Property. In no case shall any such entity be responsible for failing to provide any such emergency or regular fire, police or other public service to the Townhome Property or to any of its occupants, when such failure is due to the lack of access to such area as a result of inadequate design or construction, blocking of access routes, or any other factors within the control of the Declarant, the Association or any Unit Owner.

## ARTICLE XV. INSURANCE AND RECONSTRUCTION

- 1. Common Elements and Limited Common Elements.** The Board shall have the authority to and shall obtain insurance for the Common Elements (exclusive of the Units and the Private Elements appurtenant thereto), against loss or damage by fire, vandalism, malicious mischief and such other hazards as are covered under standard extended coverage provisions for the full insurable replacement cost of the Common Elements and against such other hazards and for such amounts as the Board may deem advisable. Insurable replacement cost shall be deemed the cost of restoring the Common Elements, or any part thereof, to substantially the same condition in which they existed prior to damage or destruction. Such insurance coverage shall be written in the name of the Association, and the proceeds thereof shall be payable to the Board, as the trustee for the Association, and the policy shall include a standard mortgage clause or equivalent endorsement. The policy of insurance shall be a "blanket" or "master" type of policy and should also contain, if possible, a waiver of subrogation rights by the insurer against individual Unit Owners. The premiums for such insurance shall be a Common Expense.
- 2. Units, Private Elements and Limited Common Elements.** EACH UNIT OWNER SHALL BE RESPONSIBLE FOR OBTAINING INSURANCE FOR THAT UNIT OWNER'S UNIT, PRIVATE ELEMENTS AND LIMITED COMMON ELEMENTS that are inseparable appurtenance thereto, the ownership, possession, enjoyment, benefit and use of which are reserved exclusively to such Unit Owner against loss or damage by fire, vandalism, malicious mischief and such other hazards as are covered under standard extended coverage provisions for the full insurable replacement cost of the Unit, the Private Elements and Limited Common Elements appurtenant thereto and any personal property of the Unit Owner stored in the Unit or elsewhere on the Townhome Property. In addition, each Unit Owner shall be responsible for obtaining his own insurance insuring said Unit Owner personally from liability in connection with the ownership, possession, use and occupancy of his Unit and the Private Elements and Limited Common Elements appurtenant thereto. Such insurance shall not be the responsibility of the Association and by acceptance of a deed to a Unit, each Unit Owner acknowledges that such insurance is and shall be the sole responsibility of said Unit Owner.
- 3. Damage Removal and Reconstruction.** Except as otherwise provided in the preceding two paragraphs, in the event of damage to or destruction of any Common Elements as a result of fire or other casualty covered by insurance proceeds, the Board shall promptly cause debris to be cleared and leave the same in a neat and orderly condition. The Board shall, in its sole and absolute discretion without intervention of any Unit Owner, determine and arrange for prompt repair, restoration and reconstruction of the damaged portion of such Common Elements in substantial accordance with the original plans and specifications therefore. Any change or alteration must be approved by the Board. Where the insurance indemnity is insufficient to cover the cost of such repairs, restoration and reconstruction, the deficit shall be paid by all Unit Owners directly affected by the damage or destruction in a fair proportion as determined by the Board in its sole and absolute discretion. The Board shall not be responsible for the repair, replacement or restoration of any Unit nor the Private Elements and Limited Common Elements appurtenant thereto or any improvements, furnishings, fixtures, appliances, equipment, decorations or landscaping installed in or for the sole benefit of a Unit by its Unit Owner.
- 4. Non-Compulsory Reconstruction.** Reconstruction shall not be compulsory where the whole or more than two-thirds (2/3rds) of any single Building is destroyed or damaged by fire or other casualty as determined by the Board. In such case and unless otherwise unanimously agreed upon by the Unit Owners directly affected by the casualty, the net proceeds of insurance policies shall be divided equally among such Unit Owners and the Mortgagees of the Units directly affected by the casualty as determined in the sole discretion of the Board, after paying from the share of each affected Unit Owner or Mortgagee, as their interests may appear: (a) the costs of removing debris and returning the site to a condition compatible with the overall appearance of the Townhome Property, including without limitation, landscaping, and (b) the just amount of any unpaid liens on any Unit in the order of priority of such liens. Provided, however, no

such disbursement of the aforesaid insurance proceeds to any Unit Owner or Mortgagee shall occur unless simultaneously with such disbursement each affected Unit Owner delivers to the Board a recordable deed quitclaiming his interest in his Unit and the Private Elements and Limited Common Elements appurtenant thereto to the Board, as trustee for the remaining Unit Owners, and also delivers to the Board a recordable release of any liens on his Unit.

5. **Withdrawal of Destroyed Unit and Percentage Interest Reallocation.** Upon recording of the deeds and releases referred to in the preceding paragraph as same relate to each such destroyed Unit, said Unit shall be deemed withdrawn and shall be thereafter deemed to be Common Elements. After the Board has affected any such withdrawal, the responsibility for the payment of future Common Expenses for any such withdrawn Unit shall cease.

6. **Fidelity Insurance.** The Board shall have the authority to obtain fidelity coverage for officers, directors and employees who handle or are responsible for handling Association funds. Such coverage policy shall be in such amounts as the Board in its best business judgment may determine. Such coverage policy shall contain waivers of any defense based upon the exclusion of Persons serving without compensation. The fidelity coverage policy shall provide that it may not be canceled or substantially modified without at least THIRTY (30) days written notice to the Association. The premiums for such insurance shall be a Common Expense.

7. **Other Insurance.** The Board shall have the authority to obtain such other insurance as it deems reasonably desirable or necessary, in such amounts, from such sources and in such forms as it deems desirable to insure the Common Elements, each member of the Board and officer of the Association, each member of any committee appointed pursuant to the By-Laws from liability arising from the fact that said person is or was a director or officer of the Association or a member of such a committee. The Board may (but shall not be required to) require of those performing any maintenance, repair or other work on the Townhome Property, for which the Association is responsible, such liability or other insurance, including workmen's compensation, as it deems reasonably necessary or desirable given the nature, circumstances and amount of the work being performed. The premiums for such insurance shall be a Common Expense.

8. **Insured's Authorized Representative.** All insurance obtained by the Board shall provide that there may be named as an insured on behalf of the Association, the Association's authorized representative who shall have exclusive right to negotiate settlements and to perform such other functions as necessary to accomplish this purpose. The Association, or its authorized representative, shall act as attorney-in-fact for each Unit Owner under each policy obtained by the Board for all purposes and to the extent permitted by law.

## ARTICLE XVI. CONDEMNATION

1. **Common Elements.** In the event of a taking in condemnation or by eminent domain of a part of the Common Elements, the award made for such taking shall be payable to the Board for and on behalf of the Association. Any and all notices related to or concerning such taking in condemnation or by eminent domain of a part of the Common Elements shall be addressed and sent to the Association, at the attention of the Board. If the Board in its sole and absolute discretion approves the repair and restoration of such Common Elements, the Board shall arrange for the repair and restoration of such Common Elements, and the Board shall disburse the proceeds of such award to the contractors engaged in such repair and restoration in appropriate progress payments. In the event that the Board does not approve the repair and commence restoration of such Common Elements within ONE HUNDRED TWENTY (120) days after receipt of the award, the Board shall disburse the net proceeds of such award on a fair and reasonable basis to the Mortgagees directly affected by the condemnation and the balance to the Unit Owners directly affected thereby. The decision of the Board as to the fairness and reasonableness shall be binding upon all parties, if such decision reasonably relates to the given facts.

2. **Units.** If a Unit or Units are acquired by a taking in condemnation or by eminent domain so as to leave the Unit Owner(s) with a remnant which may not practically or lawfully be used for any purpose permitted by this Horizontal Property Declaration, upon acquisition by the condemning authority, unless the decree provides otherwise, each affected Unit or Units' Common Expense Liability shall be automatically reallocated to the remaining Units. Any remnant of a Unit remaining shall thereafter be a Common Element.

## ARTICLE XVII. AMENDMENTS

1. **Members.** Except as otherwise provided herein, the provisions of this Horizontal Property Declaration may be changed, modified or amended by Supplemental Instrument or other written and properly recorded instrument setting forth such change, modification or amendment, upon the affirmative Vote of not less than SIXTY SEVEN PERCENT (67%) of the Members present at a duly called meeting of the Association or the affirmative written consent of such percentage of the Members at which a quorum is present unless a higher percentage Vote is required elsewhere in this Horizontal Property Declaration or the Act. However, any such change, modification or amendment that would change or delete any right, remedy, benefit or privilege afforded to the Declarant under this Horizontal Property Declaration shall require the consent of the Declarant in order to be effective. Any such change, modification, amendment or revocation shall not become effective until the instrument evidencing such change has been recorded in the Register's Office for MAURY COUNTY, Tennessee.

2. **Declarant.** The Declarant hereby reserves and shall have the right, power, privilege and authority, in its sole discretion, to modify or amend by Supplemental Instrument or other written and properly recorded instrument setting forth such change, modification or amendment this Horizontal Property Declaration and any Exhibit hereto without the consent, joinder or approval of the Association, the Board, any Unit Owner, any person having a contractual right to purchase a Unit, any Mortgagee or beneficiary of any Mortgage or deed of trust on any Unit or any other Person. Declarant shall be in no way obligated to amend this Horizontal Property Declaration or any Exhibit hereto pursuant to this paragraph.

3. **Duration.** The covenants and restrictions of this Horizontal Property Declaration shall run with and bind the land, for a term of TWENTY (20) years from the date this Horizontal Property Declaration is recorded, after which time they shall be automatically extended for successive periods of TEN (10) years unless a property approved and executed instrument has been recorded prior to the expiration of said 20-year period or any said 10-year period, as the case may be, agreeing to terminate said covenants.

4. **Termination.** Revocation of this Horizontal Property Declaration and the Townhome Planned Unit Development created hereby shall require: (a) the affirmative Vote of SEVENTY-FIVE PERCENT (75%) of all the Members of the Association entitled to Vote at a duly called meeting of the Association or the affirmative written consent of such percentage of the Members at which a quorum is present; and (b) the affirmative Vote of SEVENTY-FIVE PERCENT (75%) of Mortgagees having first mortgage liens on any Unit(s), however, any such Mortgagee is deemed to have approved the termination, if notice is sent to the last address of such Mortgagee on file with the Association and no objection is received within THIRTY (30) days thereafter.

5. **Discrimination.** No amendment shall discriminate against any Unit Owner or against any Unit or group of Units, unless the Unit Owner(s) so affected shall consent.

6. **Statute of Limitation.** No action to challenge the validity of an amendment adopted by the Association may be brought more than ONE (1) year after the amendment is recorded.

7. **Perpetuities and Restraints on Alienation.** If any of the options, privileges, covenants or rights created by the Horizontal Property Declaration shall be unlawful, void or voidable for violation of the rule

against perpetuities, then such provision shall continue only until twenty-one (21) years after the death of the survivor of the now living descendants of the President of the United States, Donald J. Trump.

## ARTICLE XVIII. ARCHITECTURAL STANDARDS

No Owner, occupant of an Owner's Unit, or any other Person, other than the Declarant, may: (i) make any exterior change, alteration, modification, or construction on a Unit; or (ii) erect, place or post any thing or object which may affect the appearance of a Unit. The Board of Directors shall have the authority and standing, on behalf of the Association, to enforce in courts of competent jurisdiction decisions of the Architectural Review Committee established in Section 1 of this Article XVIII. This Article may not be amended without the Declarant's written consent so long as the Declarant owns any land subject to this Declaration or subject to annexation to this Declaration.

The Declarant at the time of sale and/or the plat is recorded for each phase/section of Town Center Townhomes has the right to establish additional restrictions and/or design-standards with respect to improvements constructed upon the Units in that particular phase/section of Town Center Townhomes.

**Section 1. Architectural Review Committee.** The Architectural Review Committee ("ARC") shall have exclusive jurisdiction over all original construction on any portion of the Townhome Property as well as modifications, additions, or alterations made on or to existing Units or structures and improvements thereon, as well as the Common Elements. The ARC shall prepare and, on behalf of the Board of Directors, shall promulgate design and development guidelines and application and review procedures (the "Architectural Guidelines"). Copies shall be available from the ARC for review. The Architectural Guidelines shall be those of the Association, and the ARC shall have sole and full authority to prepare and to amend the Architectural Guidelines. It shall make said Architectural Guidelines available to Owners, Builders, and developers who seek to engage in development of or construction upon all or any portion of the Townhome Property and such Owners, Builders and developers shall conduct their operations strictly in accordance therewith. Until one hundred (100%) percent of the Units in the Townhome Property have been developed and conveyed to purchasers in the normal course of development and sale, the Declarant retains the right to appoint all members of the ARC, which shall consist of at least three (3), but no more than five (5), persons. There shall be no surrender of this right prior to that time except in a written instrument in recordable form executed by Declarant. Upon the expiration of such right, the Board of Directors shall appoint the members of the ARC.

In addition to the foregoing, plans and specifications showing the nature, kind, shape, color, size, materials, and location of any initial construction, modifications, additions, or alterations, for all improvements on the Units, including, but not limited to, any structure, building, fence, wall, driveway, path, or landscaping shall be submitted, prior to any construction, to the ARC for its written approval as to quality of workmanship and design and as to harmony of external design with existing structures, location in relation to surrounding structures, topography, and finish grade elevation. No permission or approval shall be required to repaint in accordance with an originally approved color scheme, or to rebuild in accordance with originally approved plans and specifications. Nothing contained herein shall be construed to limit the right of an Owner to remodel the interior of the residence located upon such Owner's Unit, or to paint the interior of such Owner's residence any color desired. In the event that the ARC fails to approve or to disapprove such plans or to request additional information reasonably required within sixty (60) days after submission, the plans shall be deemed approved, unless such construction, modification or improvement otherwise is in violation of the Declaration, the Bylaws, the Architectural Guidelines, the Association's rules and regulations, or applicable zoning ordinances..

The ARC shall be the sole arbiter of the application and may withhold approval for any reason whatsoever, including purely aesthetic considerations. The Association, acting through the Board shall be entitled to stop any construction or modification which is not in conformance with approved plans. In the event that the ARC disapproves any application or part thereof, an Owner shall have the right to appeal the ARC's

decision to the Board of Directors, in writing by certified mail. Said notice of appeal must be received by the Board within fourteen (14) days from the date of the ARC's notice to Owner of its decision, otherwise the decision of the ARC shall be final. The Board shall rule on the appeal with thirty (30) days of receiving written notice requesting an appeal from the Owner; and all decisions of the Board shall be final.

Neither the Board nor the ARC shall bear any responsibility for ensuring the design, quality, structural integrity or soundness of approved construction or modifications, nor for ensuring compliance with building codes, zoning regulations and other governmental requirements. Neither the Declarant, Association, the Board, the ARC or any member of any of the foregoing shall be held liable for any injury, damages or loss arising out of the manner, design, or quality of approved construction or modifications to any Unit, nor may any action be brought against the Declarant, Association, the Board, the ARC, or any member thereof, for any such injury, damage or loss.

**Section 2. No Waiver of Future Approvals.** The approval of the ARC of any proposals or plans and specifications or drawings for any work done or proposed, or in connection with any other matter requiring the approval and consent of such Committee, shall not be deemed to constitute a waiver of any right to withhold approval or consent as to any similar proposals, plans and specifications, drawings, or matters whatever subsequently or additionally submitted for approval or consent.

**Section 3. Variance.** The ARC may authorize variances from compliance with any of the provisions of its guidelines and procedures when circumstances such as topography, natural obstructions, hardship, aesthetic, or environmental considerations require, but only in accordance with duly adopted rules and regulations. Such variances may only be granted, however, when unique circumstances dictate and no variance shall (a) be effective unless in writing, (b) be contrary to the restrictions set forth in the body of this Declaration, or (c) stop the Committee from denying a variance in other circumstances. For purposes of this Section, the inability to obtain approval of any governmental agency, the issuance of any permit, or the terms of any financing shall not be considered a hardship warranting a variance.

**Section 4. Enforcement of Architectural Standards.** Any construction, alteration, or other work done in violation of this Article, the Declaration, the Bylaws, the design standards or any applicable zoning ordinances, codes, or regulations shall be deemed non-conforming, and upon written request from the Board, such non-conforming construction, alteration, or other work shall be removed at the sole expense of the Owner and the Unit shall be restored to substantially the same condition as existed prior to such construction, alteration or work. Should the Owner fail to do so, the Board or its designees shall have the right, in addition to other remedies provided under this Declaration as well as the rules and regulations of the Association, to enter the Unit and remove the violation and restore the Unit, or obtain a court order compelling the violating Owner to do so. All costs thereof, including reasonable attorney's fees, may be assessed against such Unit, regardless of whether or not litigation is filed. The remedies under this Section 4 shall be in addition to, and not in substitution for, any other remedies provided under the Documents, or at law or in equity.

## ARTICLE XIX. GENERAL PROVISIONS

**1. Notices.** Notices to the Association or the Declarant set forth in this Horizontal Property Declaration, the By-Laws or in the Act, shall be in writing and shall be addressed to the Association or the Declarant at such address as may be provided from time to time. The Association and the Declarant may designate a different address for notices to it by giving written notice of such change of address to all Unit Owners. Notices shall be deemed delivered when mailed by U.S. registered or certified mail or when delivered in person to the Association or Declarant with written acknowledgment of the receipt thereof.

**2. Trustee as Unit Owner.** In the event title to any Unit is conveyed to a land title-holding trust, under the terms of which all power of management, operation and control of the Unit remain vested in the trust beneficiary or beneficiaries, then the beneficiaries thereunder shall be considered Unit Owners for all

purposes and they shall be responsible for payment of all Common Expenses, obligations, liens or indebtedness and for the performance of all agreements, covenants and undertakings chargeable or created under this Horizontal Property Declaration against such Unit. No claim shall be made against any such title-holding trustee personally for payment of any lien or obligation hereunder created, and the trustee shall not be obligated to sequester funds or trust property to apply in whole or in part against such lien or obligation. The amount of any such lien or obligation shall continue to be a charge or lien upon the Unit and the beneficiaries of such trust, notwithstanding any transfers of the beneficial interest of any such trust or any transfer of title to such Unit.

3. **Governing Document Conflict.** Except to the extent otherwise expressly provided herein, to the extent that any provision of this Horizontal Property Declaration conflicts with the provisions of the Bylaws, or the Charter, all as amended and supplemented from time to time, the provisions of this Horizontal Property Declaration, the Bylaws, and the Charter in that order, shall control.

4. **Severability.** All provisions of this Horizontal Property Declaration and the By-Laws shall be severable. Invalidation of any provision of this Horizontal Property Declaration by judgment or court order shall not affect any other provision not expressly held to be void under the specific facts and circumstances giving rise thereto, and all such remaining provisions shall remain in full force and effect together with the provisions ruled upon as they apply to facts and circumstances other than those expressly invalidated.

5. **Gender.** The use of the masculine gender in this Horizontal Property Declaration and in the By-Laws shall be deemed to include the feminine and neuter references and the use of the singular shall be deemed to include the plural whenever the context so requires.

6. **Captions.** The captions herein are inserted only as a matter of convenience, and in no way define, limit or describe the scope of these provisions or the intent of any provision hereof.

7. **Exoneration of Declarant.** Each Unit Owner or any other party having an interest in any portion of the Townhome Property expressly agree that no duty or obligation is imposed upon the Declarant to enforce or attempt to enforce any of the covenants or restrictions contained herein, nor shall the Declarant be subject to any liability of any kind or nature whatsoever in respect to any claim that the Declarant has failed to enforce same.
